opening reception friday, august 8, 5-7pm

"Poppies"
acrylic on panel, 24" x 18"
\$1295

This newest collection of paintings from Montreal-based artist Susan Strater is loosely based on motifs found in and around the home. It is a beautiful and striking exploration of different juxtapositions of colors, new patterns and shapes, and the flatness of surfaces. Her bold still lifes, cityscapes and florals express a unique understanding of these themes and each piece leaves the viewer with something new to ponder. Exhibition on view through August.

This collection will be revealed to the public August 1st. For an advance preview, home trial, or to reserve a painting, please contact shawna@edgewatergallery-vt.com, or call the gallery at 802.458.0098.
